

Kinetic Sand

Ingredients

- 1 cup play sand or fine craft decorators coloured sand
- 1 large tablespoon of corn flour
- Glitter
- 1 teaspoon dishwashing liquid
- 1/3 cup water
- 1 containers

Method

1. Combine the sand (play or coloured), corn flour and glitter in a container and mix well.
2. Add 1 teaspoon of dishwashing liquid to the dry mixture.
3. Slowly add the water to mixture until sand is wet and bubbles appear.
4. Leave to set for 2 hours.
